**PROJECT 60/50 ELDER RIGHTS TEAM** brings you VideoFest in honor of conversation: bringing people together to talk about the milestones in their lives. The contest will provide a remarkable chance to bridge generations, build relationships and have fun as young people learn more about an elder in their life and elders share their stories.

**Project 60/50 Elder Rights Team** is committed to bringing attention to the experiences, viewpoints, contributions, value and rights of all persons, including older adults. **Project 60/50** marks the 60th anniversary of Brown vs. Board, which started the desegregation of schools, and the 50th anniversary of the Civil Rights Act of 1964, which outlawed discrimination based on race, color, religion, sex, or national origin. Project 60/50 is an ongoing community conversation on civil and human rights. Learn more at [inclusion.msu.edu](http://inclusion.msu.edu)
